

Guidelines for Attending Services at Grace Christian Church

We're so delighted that we're able to meet again in-person.

The following guidelines are in place to help keep everyone safe as we gather together on a Sunday.

If you identify as a vulnerable person*, health authorities recommend avoiding contact or gathering with others. If you have experienced a fever, cough, sore throat, shortness of breath, sneezing/runny nose or loss of sense of smell or traveled overseas or been in contact with anyone who has travelled overseas or a COVID-19 hotspot in the past 14 days, please stay home at this time.

We look forward to joining with you in-person or on-line.
